at the \_\_\_\_\_ Nature Reserve/National Park (hereinafter “the Site”)

This is to confirm that at the request of the Archaeologist/the Institute under the auspices of which the Archaeologist is operating (hereinafter “the Institute”), we have arranged the following insurance policies for the period from \_\_\_\_\_ to \_\_\_\_\_ (inclusive):

- a. **Third Party Liability Policy** to cover the liability of the Archaeologist, the Institute and any other person participating in archaeological excavations at the Site, with a limit of liability of \$ \_\_\_\_\_ for any one occurrence and in the aggregate for the policy.

This insurance is subject to the following terms and conditions:

- (1) The name of the insured includes the Archaeologist and/or the Institute, and was extended to include the Authority (with respect to any liability emanating from any act of the Archaeologist or any other person operating at the Site on his behalf), and subject to a Cross Liability Clause.
- (2) For the purpose of this cover, a Third Party shall be defined as any person not in the payroll of the Archaeologist or the Institute (and specifically including volunteers and students).
- (3) If work is to be resumed on the next excavation period, the cover is extended to include interim periods between excavation periods.
- (4) The cover is extended to include liability incurred whilst conducting archaeological surveys off marked or mapped trails, routes or areas.

- b. **Employers liability Policy** to cover the liability of the Archaeologist and/or the Institute for bodily injury caused to employees, with a limit of liability of \$ \_\_\_\_\_ any one occurrence and \$ \_\_\_\_\_ in the aggregate for the insurance period.

This insurance was extended to include the Authority as an additional insured, should be bound by the duties of an employer toward any person employed by the Archaeologist or the Institute.

The cover is extended to include liability incurred whilst conducting archaeological surveys off marked or mapped trails, routes or areas.

- c. **Property Insurance Policy** on a Fire Extended basis, to cover any equipment brought by the Archaeologist of the Institute to the Site, for \$ \_\_\_\_\_.

The above mentioned policies are subject to the following conditions:

- a. The cover is primary, and shall apply prior to any similar insurance arranged by or on behalf the Authority. We hereby waive any demand for contribution from any such insurance.
- b. The cover shall not be cancelled nor diminished in scope unless a written notice thereof was mailed to the Authority by registered post 30 days in advance of such cancellation or change.
- c. Any right of subrogation against the Authority or any party operating on its behalf is cancelled, but the foregoing shall not apply in favour of any person acting with a malicious intent.
- d. Only the Archaeologist shall pay the premium and bear the deductible.

Subject to the terms and conditions of the policy, unless amended by the above.
